President's Report 2019

It is my pleasure to welcome you all along to the 12th AGM of the group.

We have had another enjoyable year of competition and companionship at Images.

Our move to our new venue has been successful, the Norah Brown Room at St Andrew's Anglican Church is just the right size and is very conveniently located.

The new TV purchased after members voted at AGM to buy seems to be working ok. Thank you to Ian for storing the TV and bringing it to club each month.

We have had some new members join our club and some who have had life dictate that they cannot participate anymore. We hope they will be able to re-join us again at some stage. We miss you.

Our Salon celebration was very successful with a move to the Franklin Club. The format worked well with a delicious dinner in the dining room and the slide show and presentations in the committee room. Congratulations to all the successful authors.

The club again entered the Auckland Shootout, with yet again a different makeup of the team. It is great that club members are prepared to have a go at this fun competition. I hope we can field a team again this year,

It has been great having Grace organising our outings schedule particularly the weekend at Kaiaua. Unfortunately, I was unable to attend but it seems it was a very informative and enjoyable weekend. Thank you, Grace.

The Annual Assignment was well supported again this year, with some fantastic entries. Congratulations to all who put together an assignment.

Bill has been busy designing new light-weight stands to make transporting them a bit easier as we no longer have onsite storage for our equipment. Thank you, Bill for your ongoing support and enthusiasm for the club.

Lynn has again been a very busy treasurer and convenor doing a stellar job of keeping track of our funds and, also the points table. We very much appreciate your efforts, Lynn.

And thank you Stuart for keeping our great website up to date and looking good.

I, as president, really enjoy that club members come along and pitch in on club night to help set up the stands, receive and display the prints, organise supper, talk to visitors and judges, have a cuppa and a chat. It is such a relaxed, helpful, atmosphere to be a part of. It's what makes our club so special. Thank you all.

Bev McIntyre, President
