

Images Photography Group Presidents Report 2022

Once again it is my pleasure to welcome you all to the fifteenth year of Images Photography Group. Covid is still playing a big part in our lives with lockdowns and restrictions and this has meant that we have not had the ability to get out there and take photos, hence we had only three entries this year for summer assignment.

Club nights took a hit as well with only a handful of nights where we were able to get together. This has not only affected our club but every other club in the country except the west coast I would imagine.

With only a few people on committee we have had to look at what we can do. Back in February at club night we had a discussion as to what to do and it was decided to reduce the workload of the committee. We sent out a survey to all members for their feedback. It was agreed that:

- We do away with the points system.
- No judges, except for Salon. It was getting very difficult to source judges for every second month.
- No more sashes for salon.
- All these could be reinstated at a later date if we have a full committee back up and running.

A critical position we have to fill at AGM is Treasurer.

We will be doing mini workshops on club nights. Members to have input on what they would like. So I am looking forward to seeing you all at the AGM on the 9th August

Thanks
Bill Fitzgerald
President
