Treasurer's Report for Year Ended 31<sup>st</sup> March 2023

The group got off to a fairly good start at the beginning of the year with 16 members paying a subscription.

The club was able to hold Salon and some very good photographs were presented for judging.

Thank you to the judges who generously gave of their time to find the place-getters for this year.

The club has continued to subsidise Salon as it is in a strong financial position.

This is partly brought about by member Bill Fitzgerald doing maintenance work for St Andrews Anglican Church, our venue for club nights, in lieu of paying a room hire fee.

Sadly, though with lock-downs and other reasons, attendance has been falling on club nights.

While the club is in a strong financial position, with almost \$10,000.00 in funds, it is struggling to find enough people to hold the positions required to run the club.

This will be my final year in administration positions, so at the very least a secretary and treasurer will need to be elected at AGM.

Bev McIntyre

Treasurer
