

COMPOSITION

Workshop & Outing

Come and learn the art of composition in photography, with an added twist !! We will set you a challenge, to go and photograph during the day the 26 letters of the alphabet using your new found knowledge of composition.

Not as hard as you think, there is a wealth of potential around the lower part of Auckland city.

We will then critique your images at the Basic Post Processing workshop, you will need to bring them along as 6x4 prints.

Date: Sunday 5th March

Time: Meet at the back of Britomart 10am - ?

Some are looking at maybe going in by Train from Papakura. So we know how many intend coming,
