

Field Days Outing Saturday June 15th

We will car-pool from the car park at the rear of the library, leaving at 7am sharp, for those who wish to car-pool txt me on 0278628257 by Thursday at the latest.

Travelling to the 'Hub' in north Hamilton on State Highway 1, by 8am, to catch a bus to Mystery Creek, they depart every half hour on a go round. You can catch a bus back whenever you are ready.

Opportunity for street photography of the farming kind, of kids, animals, perhaps a rainy day!

Book in July 14th for a trip to the Classic Car Museum in Hamilton.

This will include some tuition on taking photos in manual mode, and also some pointers on composition for those who would like to look at things from a different perspective.

Committee would appreciate some feed-back on our outings, are they working when tagged to the next month's Set subject, or do we search out photographic opportunities as a priority?

They are our social outings, would you like a scheduled cafe stop on or near our destination for a half hour coffee hit before the work of photo shoot begins?
