Two more outings for this year and then a break over December and January, time to enjoy working on Summer Assignments.

Saturday 13th of October is our outing to the Hamilton Zoo for 'Subframing' The Zoo is at 138 Brymer Road, in the suburb of Rotokauri, it is well signposted from the new southern motorway to Hamilton. Meet there at 11am, there is a good cafe for your coffee stop. At October club night we will organise car pooling.

They have old timber mill equipment, cars and trucks buildings etc. There will be a charge per person for the visit, I will have more information next month per the amount and arrangements.
