The Editors Musings

Welcome to the November newsletter

We are finishing off our club year with new beginnings for some of our members.

Robyn, who joined up on the same night as me is moving from the country to begin a new life in Pukekohe township. I hope it all goes well for you Robyn. Getting to club nights is going to be much easier.

Stuart, our efficient webmaster has recently moved to Pukekohe. Stuart played a big role in the improvement in my photography when I first joined the club, through his teachings & workshops for which I am grateful. I hope that now he is closer to our club rooms we can see him more often.

Gary, a neighbour, friend & fellow guardian of the environment before we became fellow club members is off in the new year to become a mainlander. Gary is semi-retiring to Blenheim to be closer to boating in the Marlborough Sounds. We wish you & Midge all the best in your new adventure.

Ewen, my husband & fellow photographer has had one knee replacement operation & is working on getting it up & running so he can then have the other one done. It's going to be great to see him hopefully out & about walking pain free after so many years.

And Alex, our youngest active club member is nearing the end of his primary school years & next year will be embarking on his secondary education at One Tree Hill College. As a proud grandmother, I am wondering where the years have gone and hope that he will find the time amongst homework to continue to enter the amazing images that he produces each month. Go well Alex in the next chapter of your life.

And of course these people all join June who had ankle surgery earlier on & is continuing to make progress. We hope to see you at club again sometime June.

And to all the other wonderful people in our club it has been another great year. I hope you can come along to Franklin Club on the evening of Sunday 8th December for an evening of fine food & fine company. Please note this is before our next club night.

And please contact Lynn with numbers so we can have a table set up for us.

Keep snapping, from your editor, Bev

Outing to Kaiaua

On Saturday 2nd November we went to Kaiaua to see the returning seabirds. The tide was out so the birds were far away. They did get up once & have a bit of a fly around before settling back down again.

So we entertained ourselves until fish & chips time making explosions in the soft mud of the channel.

Once we had finished entertaining ourselves and had our yummy dinner the sun was getting low so we headed off to the stilt ponds to check them out. By then we were getting a lovely golden light which intensified into a beautiful burnt orange sunset sky.

It was a lovely evening to be out & about with good company.

Hampton Downs Sunday 24th November

We had a great outing to Hampton Downs to watch & photograph the Historic Racing Car Club day. There was lots of action to be seen, not much of the more speedy action managed to fit itself into the frame of my camera so I contented myself with the action that was a bit more sedate. Thank you to Historic Racing Club for the tickets, I hope you were happy with the photographs taken on the day. And thank you to Grace & Bill for your organisation of the day, our final outing for the year.
