# *The Editors Musings*

*Welcome to the April newsletter*

*I trust you are all keeping well and are ready to move safely into Alert Level 3. It has indeed been an interesting and challenging time in Lockdown these last nearly five weeks. Let's hope we have managed to keep Covid—19 under control and will continue to do so. Everyone needs to continue to play their part for themselves and those around them.*

*We will again be holding a digital only virtual **May club competition**. Please send your digital entries by the normal close off time of Sunday evening 10th May. They will be put into an AV and put on the website. We will also put up a word document judging sheet for you to download to do your internal judging. We will send a mailout with more detailed instructions a bit closer to the time. Any queries in the meantime feel free to contact me.*

***Salon entries** are due by Tuesday 12th May. Please send a digital image of each of your up to five images to the digital convenor by then. We will be collecting prints at some stage in the future when we have more certainty over what we can do and when. It is highly likely that Salon evening will be delayed until later in the year. We will keep you informed as details become clearer.*

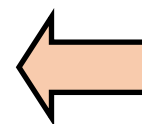

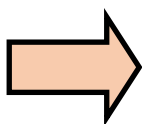

*In the meantime **subscriptions** are now due. Please pay these promptly so our hard working treasurer does not have to chase you up.*

***AGM** has been postponed until July club night with the option to put it back to August if need be. Lynn has indicated that this will be her last year on committee. Consider if you can come on committee to learn the processes so our longer serving members can step back .*

*It has been confirmed that **North Shore Salon** will go ahead as planned with the alteration that print entries will be judged digitally and then prints displayed if the exhibition can go ahead.*

*My life in Lockdown has been much the same as normal with a small farm to run. I have missed the frequent visits with family, though we have communicated frequently. One of my grandsons' challenged me to learn a new language with him. He is learning Spanish & I have chosen French. It has been an interesting challenge, kept the brain very active and is something I hope to continue with in the future.*

*Keep snapping, (within your bubble) from your editor, Bev*
