The Editors Musings

Welcome to the July newsletter

What a busy month we have had.

*Firstly **AGM** with small changes in committee. Congratulations Bill on being elected president for the next two years. It is great that you have been prepared to step up again to do another stint as 'the boss'. And congratulations to Kate on being elected to the vice president role. All other positions stay the same but we are aware that Lynn has given notice that her time on committee will be coming to an end.*

***Salon**, the highlight of our year, has been & gone. It was good that we could still have our dinner & presentations as usual. Congratulations to all the place getters and also to all those who submitted their images. Without everyone's submissions there would be no Salon. Awards and photos are on page 5. A big thank you to our judges who give up a Saturday to critique all your images & come up with all the awards. It is very much appreciated.*

***One on One Workshop—Sunday 16th August.** You should have received an email from Lynn regarding this workshop. This is an opportunity to brush up on anything you are having an issue with, or even to advance your skills to the next step in a particular area.*

***Outing Astro Photography at PORT WAIKATO—Saturday 22nd August.** Please note the location has been changed from Awhitu to Port Waikato. Information for outings on page 4. Check it out, Grace has organised some great outings.*

On a lovely day like it is today it seems that winter is almost over, the sun is shining, the daffodils are flowering and the birds are singing instead of having to hold on tight to their perches. It's a good time to be out & about.

***Auckland Shootout** is on again. We are in the process of putting together a team for this fun challenge. Dates are Saturday 22nd August to Friday 28th August. We will get our topics on Friday 21st and then it will be all on a for a week to capture our images.*

*Don't forget to enter your awesome triptychs in the **Nelson Camera Club Triptych Salon**. Details on next page.*

Keep snapping, from your editor, Bev

Introduction

Nelson Camera Club's National Triptych Salon was initiated to encourage and stimulate photographers in the skill of creating three images that not only work well together but also succeed in providing a total impression on the viewer that is greater than the sum of the three individual photographs.

For the purpose of this Salon a triptych is a presentation made up of three (and only three) distinctly separated photographic images displayed on a common background. The subject matter is open.
