*Welcome to the August newsletter*

*Well, here we are again in Lockdown 3 or 2 depending on which side of the border you reside. It feels the same but yet strangely different. Let's hope this outbreak can be contained, that no lives are lost and that some sense of normality can be regained, whatever normal is going to be in the future.*

*It is going to be marginal as to whether we can hold our September meeting, we may have to go to remote judging again. We will make that call as the situation becomes clearer.*

*In the meantime, Auckland Shootout is happening this week. Our team of six plus a reserve have been busy capturing images for this challenge. Unfortunately Bill & Raewyn had to withdraw from the team due to not being able to cross into Auckland to take images. The organising club have carefully considered the categories and made them so that entrants don't need to travel to take their images. So the subjects for this year are — Music — Water — Geometric — Low Key — Humour — Looking In .*

*An interesting challenge for our team who so far are doing well, coming up with some novel takes on the subjects.*

*We have had to cancel our One on One Workshop and our Astro Outing to Port Waikato, due to the lockdown, hopefully we will be able to slot them back into the programme once we can freely move about again.*

*There are just a few days left to get your triptych images into the Nelson Triptych Salon. It can be a challenge to come up with images to meet the brief of external competitions but an interesting one.*

*I have managed to get a couple of images accepted into the National Photojournalism competition the last two years, a genre that I really enjoy, especially the sport & action category. Catching the moment is what it's all about, a real challenge but so satisfying when it comes off.*

*The sun is shining momentarily, must finish this off and make the most of the short break between the frequent showers of the last week. Take care, stay safe.*

*Keep snapping, from your editor, Bev*

## Introduction

Nelson Camera Club's National Triptych Salon was initiated to encourage and stimulate photographers in the skill of creating three images that not only work well together but also succeed in providing a total impression on the viewer that is greater than the sum of the three individual photographs.

For the purpose of this Salon a triptych is a presentation made up of three (and only three) distinctly separated photographic images displayed on a common background. The subject matter is open.
