Focus of November

Saturday 8th November is the Thames Steampunk outing, a chance to see some incredible images for November club night theme "Culture".

We holding a Basic Post Processing course on Saturday 22nd November. Software we will be using is Affinity Photo 2, more info to come.

Hope you are all doing some research into the summer assignments you were given!! This when you use the time until December club night to try out the techniques that you are going to use to create your summer assignment, and collect any props you need.

Knight & Dickey outing

Images by Paul Vettoretti

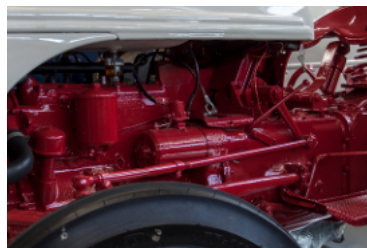

At 10.00 am on Saturday 13th 9 club members met at OHA cafe Waiuku next door to the Knight & Dickey museum, before going to the museum for a wander around this treasure trove of trucks and tractors of all vintages. The collection also includes Home appliances, models cars, trucks and buildings.
Was interesting to hear how the different parts of this vast collection came to being.

2025 CALENDAR

October - "Tools/Machiney" -

Photographing tools and machinery highlights their functionality, design, and craftsmanship, showcasing the precision and power behind the work they perform.

November - "Culture" - Photographing culture captures the essence of traditions, people, and vibrant expressions, preserving moments that reflect a community's values, history, and identity.

December - "Broken" -

Photographing broken things emphasizes their raw beauty, revealing the emotional power of imperfection, decay, and the passage of time.

Quote of the Month

"WHEN YOU PHOTOGRAPH PEOPLE IN COLOUR, YOU PHOTOGRAPH THEIR CLOTHES. BUT WHEN YOU PHOTOGRAPH PEOPLE IN BLACK AND WHITE, YOU PHOTOGRAPH THEIR SOULS!"

TED GRANT
